Dear P.A.:

Mr. and Mrs. Harold E. (Rick) Grant, who are owners of the referenced property, have filed a voluntary annexation with the City of Tallahassee. Their intent is to develop the property for single-family, detached residence. The purpose of this letter is to request permission to begin preliminary negotiations with the City of Tallahassee.

At this time, we would merely like to file a pre-application submittal and a Natural Features Inventory request. Please let me know if these items can be authorized for discussion with the City of Tallahassee personnel.

As always, I appreciate your assistance and please call me if you have any questions or comments.

Yours truly,
POOLE ENGINEERING & SURVEYING, INC.
